

WORSHIP

Where is My Music Taking Me?

1. The EMOTION of music will take my heart to a specific place.

Unhealthy destinations to get taken to:

- a. Music that fuels my ANGER. (Ephesians 4:26-27; 1 Corinthians 6:12)
- b. Music that fuels my DEPRESSION. (2 Corinthians 4:8-9)

2. The MESSAGE of music will take my mind to agree with values and to buy concepts.

- a. Music that is AGAINST God and his values.
(Matthew 15:18-19; 2 Corinthians 10:4-5)
- b. Music that is NEUTRAL. It is neither against God, nor for him...it's neutral.
- c. Music that draws you CLOSE to God...this takes you to the place of worship: Agreeing in both emotion and message with God.

3. Christianity is a SINGING faith. God forever reinforces truth through music and voice, through new songs and the gatherings of his people. (Philippians 4:8; Psalm 149:1)
