

NEW YEAR'S EVE

THE MIND-ALTERING WAY TO A HAPPY NEW YEAR

The right goals for the new year:

2. Be ROOTED in the Word of God and experience stability.

- a. LOVE God's Word.

- b. Don't just READ God's Word. Do the work of MEDITATING on the living and active Word of God.

_____.

- What resources do I need to actually study it?

_____.

- Who will I be unpacking God's Word with?
