Being The Man Or Woman They're Looking For

(1 Peter 3:1-12)

1. Choose to honor the authorities, in this case, your HUSBAND, so he may be won over to Christ. *(1 Peter 2:23 & 1 Peter 3:1-6)*
2. Submit is what we naturally do when we TRUST. In this case, you are TRUSTING God, the one who judges justly. *(1 Peter 2:23)*
3. Honoring a spouse, even an unbelieving one, or a straying one, is part of our WORSHIP of God. (This does NOT mean it's okay to be abused.)
4. Inner beauty = outer ATTRACTION. Make who you're becoming noticeable, not merely what makeup and hair project.
5. Husbands, free up your prayers by showing your wife courtesy and true CONSIDERATION. *(1 Peter 3:7)*
6. Husbands, free up your prayers by treating your wife with RESPECT.
7. Honoring your wife, even an unbelieving one, or a straying one, is part of our WORSHIP of God.
8. Don't mistreat those who mistreat you, instead repay evil with praise, or a blessing by SPEAKING WELL of them. *(1 Peter 2:23 & 1 Peter 3:8-12)*
