## LET YOUR LIGHT SHINE ON US

(PSALM 4:1-8)

1. Whenever it seems that injustice or persecution is directed at you, CALL ON God. He will do what is RIGHT.
2. God is your RIGHTEOUS God. The source of your rightness comes through Jesus Christ.
3. God hears you. Bring the REAL YOU and speak your heart to the REAL GOD.
4. I am set apart for God, he hears me. I will chase after him and stop pursuing false SECURITIES in this matter.
5. Lying in bed while angry or anxious; I can be silent and search my HEART and MOTIVES before God.
6. Don't just bring a COMPLAINT, bring a REQUEST for God's provision.
7. God moves you from STRESSED, to REST, to BLESSED. He alone is able to give you joy in the face of persecution.
