## When God Has Another Idea

God doesn't save you from the SETBACKS, but he saves you THROUGH THEM.

We STEER where we STARE.

Don't rely on WILL power, rely on GOD'S power.

We only hear God's voice when we're LISTENING.

You cannot see the FUTURE, but your future is being FORMED by what you see BEHIND YOU.

That's how God operates.

Weak people REVENGE; strong people FORGIVE.

Adversity didn't HARDEN him.

Prosperity didn't RUIN him.

Temptation didn't DESTROY him.

Imprisonment didn't EMBITTER him.

Promotion did not CHANGE him.

That's the power of God.

By design, what you go through is preparation to HELP OTHER PEOPLE.
