

HOW TO BELIEVE WHAT YOU CANNOT SEE

(John 20:18-29)

1. Doubt is the BEGINNING of real, sincere and grounded FAITH.
2. I want FIRST-HAND experience with the Risen Christ.
3. You can't have real FAITH unless you press through sincere DOUBTS.
4. "My Lord and my God" happens in the heart when you move from believing IN God to BELIEVING God.
