The Best Tattoos Are the Letters on Your Heart.

(2 Corinthians 3:1-18)

1. God would much rather have his mark on WHO YOU ARE than have you be a billboard for who you ADVERTISE to be.
2. Every time people saw the TRANSFORMED lives of the Corinthians they were reading the letter written by the Spirit of God! It was continually being made known.
3. The letter of the Old Testament LAW KILLS in two ways:
 - The letter kills through the frustration, shame and inability to keep the law perfectly. This is the LIVING death.
 - The letter kills through ETERNAL death, the condemnation to Hell.
4. Just as tattoos fade, so the GLORY of the Old Testament law faded.
5. Through the sacrifice of Jesus, the Holy Spirit now brings a lasting MINISTRY WITH GLORY that will not fade.
6. Under the new covenant in Christ, the SPIRIT GIVES LIFE.
