You can be CORRECT, and still not be RIGHT.

When your beliefs cause you to MISTREAT people, there's something wrong with your beliefs.

What happens when you mix appropriate anger with sin?

When is the Holy Spirit grieved?

- When there is ongoing RESISTENCE to His work in you.
- When you have been forgiven but refuse to FORGIVE...it's not optional.

Where do I start with forgiveness?

Create a "You OWE me" list.

Decision and prayer point:

I choose to forgive \_\_\_\_\_ for \_\_\_\_\_.
