TENSION

The Bible is all true & everything true about life is not in the Bible.

(Romans 1:20-23)

Here's why you need this sermon: You don't have to choose between the Bible and good Science. Both bring truths to the human experience.

1. It's not a problem to _____, it's a tension to_____.

We don't have any excuse as Christians not to learn everything we can possibly learn, to do the jobs that God has called us to do as best as we can possibly do them.

2. Is it _____ or is it _____?
Non-biblical means it's likely true about life, it's just not in the Bible.

The Bible	Science Then	Science Now
Innumerable stars (Jeremiah 33:22)	Only 1100 stars	Innumerable stars
Free float of Earth in space (Job 26:7)	Earth sat on a large animal	Free float of Earth in space
Creation made of invisible elements (Hebrews 11:3)	Science is mostly ignorant on the subject	Creation made of invisible elements (atoms)
Light moves (Job 38:19,20)	Light was fixed in place	Light moves
Blood is the source of life and health (Lev. 17:11)	Sick people must be bled	Blood is the source of life and health
Ocean floor contains deep valleys and mountains (2 Samuel 22:16; Jonah 2:6)	The ocean floor was flat	Ocean floor contains deep valleys and mountains
Ocean contains springs (Job 38:16)	Ocean fed only by rivers and rain	Ocean contains springs

3. The Bible becomes the _____ through which we run all "truths" to ensure they're not anti-biblical falsehoods.
