Reggie Joiner said it best when he said: Don't be "that" Christian:

- You have a responsibility to do good – Don't be irresponsible.
- Trust God & engage your doubts – Don't be threatened.
- You can enjoy church & live in world – Don't be weird.
- Beliefs matter & People matter more – Don't be a jerk.
- Christian in a moment & forever - Don't be shallow.
- Bible is all true & learn other truths – Don't be an idiot.
- God has an ideal & uses broken people - Don't get stuck.
- God is a mystery - Don't be arrogant.
