## Making A Masterpiece

(Ephesians 2:4-13)

- Our primary identity isn't built on something we do, but on something that's already been done.
- It's easy to lose sight of our primary identity and not even notice.
- Other labels of identity put us in competition with each other.
  - God loves you just the way you are, but He loves you too much to leave you there!
  - "Grace is not opposed to effort, but to earning."
- Truths about our identity.
  - Our past is in the past.
  - Our identity is given, not earned.
  - We are God's Masterpiece.
  - You are a work in progress.
- For believers, He sees us through the work of the cross!
- Identity in Christ comes by willing submission.
  - Am I progressing in my faith?
  - Do I live like my primary identity is in Christ or something else?
  - Have I personally accepted what Christ did for me?
