ESTHER

Esther's story is an underdog story!

God is never specifically mentioned, but his fingerprint is all over it!

You are WHO you are for a purpose.

You are WHERE you are for a purpose.

You are WHEN you are for a purpose.

"The more often (we) feel without acting, the less (we) will be able ever to act, and, in the long run, the less (we) will be able to feel." - CS Lewis
