PEOPLE OF COURAGE - JOSHUA & CALEB

(Numbers 13-14; Joshua 1:6-9)

1. We've ALL had giants in our lives - super-sized, intimidating, seemingly impossible stuff to overcome.
2. When courage is called for, negativity can get highly contagious.
3. One way we find courage is by...Focusing on what God Promised.
4. A second thing that can help us find courage is...Obeying God's Commands.
5. Ask: Is this congruent with what God wants for me in His Word?
6. We find courage by...Trusting in God's Presence.
