(Daniel Chapter 3)

1. An Idol is anything that takes the largest place in your life only God is supposed to have.
2. The remedy for any counterfeit God is only found in worshipping the true God.
3. God can meet us in the furnace.
4. Sometimes God does deliver us from the furnace, but often God delivers us in it.
5. God can reach others through the furnace.
6. God can bless you through the furnace.
7. I think there's a great danger in making the primary goal of our lives furnace avoidance.
8. When we believe that life is about our comfort and happiness, it can become its own idol!
