## LIVING THE LORD'S PRAYER

*(Matthew 6:9-13)*

What Jesus SAID came from the Father. *(John 12:49)*

What Jesus DID came from the Father. *(John 6:38)*

Who Jesus IS came from the Father. *(Matthew 3:17)*

Living in prayer helps you to live in God. *(Matthew 6:9-13)*

The primary way God desires for us to relate to him is as a Father.

God is as near as you can go, to as far as you can get.

We want what God wants.

We are needy people—this shows our need for God.

Forgiveness is a basic human need, to give and receive.

God forgives us in the way we forgive others.

We don't trust ourselves—we do trust God.

God delivers us FROM evil FOR Himself.
