

# SUN GROVE CHURCH

## The One - Where Are The Other Nine?

(Luke 17:11-19)

### A Two-Day Experiment:

- Day #1 – Start each conversation with a complaint.
- Day #2 – Start each interaction with a “Thank you.”

Our soul thrives on gratitude.

### The Ten Lepers - (Luke 17)

Jesus told them to go without “expressly” assuring them that they would be healed, and without, “as of yet,” any evidence to show to the priest. – A. MacLaren

We can’t wait until our problems are over to start walking in faith. We cannot put conditions on a holy God.

### Giving Thanks to God.

Gratitude is incomplete if it goes unexpressed.

- Ephesians 5:19
- 1 Thessalonians 5:18
- Colossians 3:17

Take opportunities to be thankful when nothing about your circumstances gives you that motivation. If we praise God only in the best of circumstances, that is not faith.

### Giving Thanks to Others.

- Proverbs 17:22

### Two challenges this week:

1. Write or text a “Thank You” each day this week.
2. Journal three things you are grateful for each day.
