Advent(ure) – From Conflict to Peace

We don't want this December to be just another Advent Season, but a Season of Adventure!

Bethlehem was not calm and bright when Jesus was born.

- They were a people mercilessly dominated by empires for 500 years.
- Luke 2:1-3.

The Hebrew Mindset of Peace.

- Luke 2:14
- "Shalom" is not just the absence of conflict, but it's about the presence of wholeness.
- Isaiah 9:6
- John 14:27
- That first Christmas night was breaking news that Shalom had arrived.

Our Mindset of Peace.

- John 16:33
- We are called to reflect His light that dispels the darkness.

Peace Between You and God.

- Romans 3:23
- The Prince of Peace didn't just come just over 2000 years ago in Israel; our Prince of Peace still comes today.
