## Audacious Prayers – “Send Me”

### Isaiah 6:1-8

- “Send Me” is audacious because it means I’m making myself available for God to use me however He wants.
- You can trust God without knowing everything.

### Isaiah 6:1-8

- When Isaiah comes face-to-face with God’s greatness, his first response is to fixate on his own inadequacy.
- The touch of the coal from the altar foreshadows Christ.
- “Here am I. Send me!”
- He is saying “Send Me” before he knows the details of the calling.

### How will we respond?

- Ephesians 2:10
- Mark 16:15

# SUN GROVE CHURCH

## "7 Domains of Society."

1. Arts/Entertainment
  2. Business
  3. Education
  4. Government
  5. Family
  6. Media
  7. Religion
- Most think that to be "sent" we must come over to the religious domain, and that's certainly not true.
  - We, the church, are to exist in every domain of life.
  - The question is not, "Are you sent by God," but "Will you say 'yes' to God?"
  - It is more likely God will call you to make a difference where you already are.
  - Galatians 2:20
